

Personal Care

Frequently Asked Questions

Do I need a Masonic affiliation to reside at Masonic Village?

Masonic Village is home to individuals with and without Masonic affiliations. Our retirement living residents are given first priority access to our personal care and skilled nursing facility. Additional openings for personal care and skilled nursing services are made available on a priority basis to Masons, employees and their loved ones. Any remaining openings are available for the public.

Do you accept Medicare?

Yes. Masonic Village is Medicare-certified. Our staff can discuss and assist with any insurance or medical assistance questions at the time of application.

What furnishings are offered in my accommodation?

Personal Care has suites with a single closet and private bathroom. Please notify us of items you will be bringing, and we can provide furniture if needed.

Where will I eat meals?

The dining room offers a variety of selections. Choose your main entrée or à la carte selections daily. A dietary manager is available, by appointment, to discuss special diet requests or requirements.

What activities are available?

Recreation staff provide a variety of engaging activities, planned programs and therapeutic options, while also offering individual opportunities to pursue personal interests.

Regular activities include: education, pet visits, movement classes, intergenerational programs, visitations, music and music therapy, baking, socials, entertainment, special events, gardening, crafts, community outings and more.

How can I attend worship services?

A worship service is held weekly in the Kenneth Mills Auditorium, and a chaplain provides personal visits and leads small groups.

Do I need a Financial or Medical Power of Attorney?

We ask all residents to consider appointing a Financial and Medical Power of Attorney to handle their needs when they are no longer able to do so. The same person can be appointed for both or a different person can be appointed for each.

Who oversees medical care?

On-site primary care providers will oversee your care. We also offer on-site therapy, including occupational, physical and speech. Dermatology, optometry, dental, podiatry, audiology and psychiatry are also provided on-site. Should a specialist be needed, staff will arrange referrals and appointments on your behalf.

How will I obtain prescription medications?

You may use the pharmacy of your choice. Masonic Village Pharmacy, which participates with several prescription drugs plans, can provide your medications. We also participate with the Veterans Administration (VA) and will work with your primary care physician and the VA to obtain the necessary prescriptions.

May I visit with family off campus?

When planning a leave from the Masonic Village, we request you work with nursing staff and/or provider on your neighborhood and give as much advanced notice as possible, so staff can make sure medication and special needs are arranged.

How can I set up a Personal Care Account for personal funds?

A Personal Care Account can be set up by the Finance Department for you to maintain personal spending money. Staff can assist you with depositing or accessing funds.
